

ANDRÉS MOURULLO

Full Stack Developer

+34609772752 @ amourull@gmail.com <https://www.linkedin.com/in/andresmourullo/> Spain

EXPERIENCE

- 12/2021 - 12/2022

Badajoz, Spain

Full Stack Developer

Apinavarro

 - In this real estate company I used WordPress to create and maintain the website through which the properties were offered. In addition to this, I created advertising campaigns for Facebook.
 - Increased property inquiries by 25% through effective Facebook advertising and enhanced website management using WordPress.
- 03/2023 - 09/2023

Badajoz, Spain

Full Stack Developer

Phiteca

 - In this online academy created an API with Spring and interface with Angular that stored all student data in a PostgreSQL database. In addition, I helped to create some mini-games like calculus quizzes or word search puzzles.
 - Improved API response time by 30% by optimizing backend processes using Spring framework.
- 09/2023 - Present

Badajoz, Spain

Full Stack Developer

EcaptureDtech

 - In this 3D model generation company I have helped to create several web apps with Angular and backend with Laravel.
 - Improved user engagement by 30% by developing interactive features using Angular.

EDUCATION

- 09/2024 - 09/2024

Online

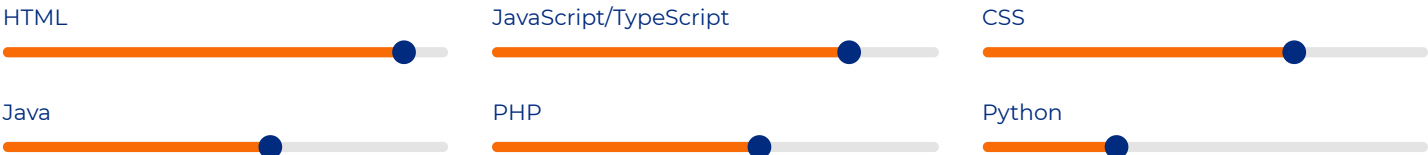

Superior Degree in Multiplatform App Development

Fomento Ocupacional

SUMMARY

I am a creative and resourceful developer, always eager to learn. I have experience and knowledge in design, recording, and audiovisual editing, which complements my work as a developer. Furthermore, I have great communication skills, and you'll never see me without a cup of coffee in one hand and a keyboard in the other, ready to bring any idea to life.
